

Tony Murphy's
Primary Cartoon Workshops

Hands-on, energetic, positive learning workshops appropriately paced

*- touching on K-6 KLAS and *CEO Visual Literacy and Media Studies - to:*

Help students *access their own creative energies and discover the cartoon power of:*

- ☺ mood and facial expression (animals & humans);
- ☺ observation and exaggeration (animals & humans) and
- ☀ simply drawing funny in one's own, unique, style.

As well,

students in Y3-4 and older children (Y 5-6) learn why cartoons and comics humour work, their power in media and the selling message, examine and discuss different styles of modern popular cartoons and, of course:

All will draw, Draw! DRAW!!

Fun cartooning education experiences for children

Teachers

The children thoroughly enjoyed themselves. Your Workshop engaged them exactly at their level.
Kindergarten Teacher

Interest level high with my kids and their eye-hand-co-ordination skills are enhanced.
Thank you.
Year 1 Teacher

My students thoroughly enjoyed your session and can't wait to draw on their own.
Year 2 Teacher

Your workshop was wonderful. Children were so engaged they said they were going to draw in their lunch-time!!
Year 3 Teacher

Your workshop was a great stimulus for my students' own drawings.
Thank you.
Year 4 Teacher

Your cartoon workshop was beneficial in teaching students various techniques and handouts are a good resource for students and teachers. Explanation, demonstration and students' practical activities worked well.
Year 5 Teacher

A very valuable session for my students who maintained interest throughout and were very involved with their drawing.
Year 6 Teacher

Parents

Sara and Madison were so enthusiastic colouring your workshop handouts at big sister's weekend netball that they stayed out of mischief. Thanks!!

Sean loved the workshop and he's been drawing all weekend!
